Feedback from last meeting- any follow up actions.

Letter to parents outlining the School streets initiative. Survey has been shared - over 50 replies so far.

Next step is to share with local residents and survey their opinions.

Other ideas to support wider development;

Newsletters - Are we content with one a month? Do we want more regularly? For consideration next year.

School Photos- The group photos had a less than traditional set of poses when compared to other school group photos. Consideration next year as to what the parents would like.

New to Reception Transition- Last year we were able to offer a 'meet and greet' in the car park. School will look at timetabling to see if we can arrange something similar.

Autumn meeting

Week 3 TBC, will share info in September as we will need new Reception reps.
