English	If you have the book, read Traction Man is Here. If you don't have the book, you can find it through the link below. Discuss with your family what happens in the story. Did you like it? What was your favourite part and why?	Think of your own questions to write about the story. Remember that questions need a question mark at the end instead of a full stop. Can anyone in your family answer your questions?	Write an advert or create a poster for the new Traction Man toy. Perform it to your family.	Gather a load of household objects and think about some adjectives to describe them and give them names. Examples of these can be found in the book, such as 'the poisonous Dishcloth' or 'Jet-Powered Trainer' or 'Supersonic Space-Cup and Saucer'.	Write your own Traction Man adventure, using the objects from Thursday.

Science Reduce, Reuse, Recycle	Think about your day so far. How many things have you thrown away today? Find out what happens to our rubbish after we put it in the bin.	When people drop rubbish on the street, it is called littering. Think about ways to stop people littering.	Write down the different ways you can reduce the amount of rubbish you produce.	Write a list of the different ways you can reuse things you have finished with.	What do you recycle at home? When does it get picked up? Design a poster to encourage more people to reduce, reuse and recycle.
PSHE	Discuss what a community is.	Make a list of all the communities you are part of, such as Beavers, Elmtree, Swimming.	Talk about what it means to feel included. How have you helped people to feel included in the past? Are you inclusive?	Before Corona virus, how did your community help people to feel included?	Find out what helpful things your community has been doing to support others during lockdown.
Topic	Tell an adult what a landmark is. Can you make a list of famous landmarks in each of the seven continents?	Log in to Jasmine PE. https://home.jasmineactive.com/login Visit the Train theme and, with an adult, play the game: Wobbly Bridge. Think about how you can link the movements and skills together. Explore the other train games to see which you like best.	Choose a continent and begin to create a fact file about that continent.	Draw a map of the world showing the 7 continents. Colour each continent a different colour. Use the three primary colours and the three secondary colours. Leave one continent blank.	http://www.viewpure.com/bEntOFR66YY?start=0&end=0 Listen to the song The Prehistoric Animal Brigade. Create a new verse for the song and then march to the beat.
