This template can be used for multiple purposes:

- It enables schools to effectively plan their use of the Primary PE and sport premium
- It helps schools to meet the requirements (as set out in guidance) to publish information on their Primary PE and sport premium
- It will be an effective document to support Ofsted inspections enabling schools to evidence progress in Physical Education (PE) and evidence swimming attainment, which forms part of the PE National Curriculum. We would recommend schools consider the Intent, Implementation and Impact of any spend, as examined within the Education Inspection Framework.

It is important that your grant is used effectively and based on school need.

Schools must use the funding to make **additional and sustainable improvements** to the quality of the PE, School Sport and Physical Activity (PESSPA) they offer. This means that you should use the Primary PE and sport premium to:

- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years
- Develop or add to the PESSPA activities that your school already offers.

**The Primary PE and sport premium should not be used to fund capital spend projects; the school's core budget should fund these. Further detail on capital expenditure can be found in the updated [Primary PE and sport premium guidance](#).**

The Primary PE and sport premium guidance, outlines 5 key priorities that funding should be used towards. It is not

necessary that spending has to meet all the key priorities, you should select the priorities that you aim to use any funding towards.

Although completing this template is not a requirement for schools, schools are required to publish details of how they spend this funding. Schools must also outline what the impact this funding has had on pupils' PE and sport participation and attainment and how any spending will be sustainable in the future. **All funding must be spent by 31st July 2024.**

The Department for Education has worked closely with the Association for Physical Education (afPE) and the Youth Sport Trust (YST) to develop this template and encourages schools to use it. This template is an effective way of meeting the reporting requirements of the Primary PE and sport premium.

## Review of last year's spend and key achievements (2022/2023)

We recommend you start by reflecting on the impact of current provision and reviewing your previous spend.

Activity/Action	Impact	Comments
Playground equipment purchased – engage children in a variety of activities.	More children are active on the playground. Children achieve 30 minutes active time.	Children have a wide variety of physical activities to enjoy, there is a wider range of games.

## Key achievements 2023-2024

This template will be completed at the end of the academic year and will showcase the key achievements schools have made with their Primary PE and sport premium spending.

Activity/Action	Impact	Comments
<p>Lunchtime sports sessions/activities for pupils.</p> <p>New PE scheme (Get Set 4 PE) adopted and CPD provided for all teaching staff.</p>	<p>More children are active on the playground. Children achieve a minimum of 30 minutes active time per day. Children learn how to apply the skills taught during PE lessons. Children are increasingly able to participate independently in physical activity.</p> <p>GS4PE promotes a positive attitude towards PE and physical activity. Every child is given the physical literacy, emotional and creative thinking skills to achieve in PE and sport, and across the curriculum. It has a multi-ability focus and allows children to:</p> <ul style="list-style-type: none"> <li>• explore and create their own games</li> <li>• develop cognitive skills</li> <li>• understand the benefits of health and fitness.</li> <li>• engage in physical activity</li> <li>• work as a team</li> </ul> <p>Teachers are more confident to teach PE and have recognized the positive impact that the new scheme has had on children's engagement in PE and the progress they have made since adopting the scheme.</p>	<p>These sessions are invaluable in promoting the enjoyment of physical activity and in ensuring that children are engaged and active during lunchtime.</p> <p>Children are taught the necessary skills required to meet curriculum expectations. PE plays a vital role in promoting a lifetime of physical activity. Children will develop a life-long enjoyment of physical activity and be given the chance to learn new skills, enjoy regular exercise, and engage in brand new experiences.</p>
<p>Balance bike tuition.</p>	<p>All children in Reception receive intensive balance bike tuition delivered by experts. The children are increasingly confident when they begin to learn to ride a bike. A life-long love of cycling is ignited within our children.</p>	<p>Balance bike tuition has been booked for the next academic year.</p>
<p>Wild Woods CPD.</p>	<p>Teachers feel confident to deliver Wild Woods sessions which promote the holistic development of our</p>	

<p>External DCHS sports festivals.</p>	<p>children.</p> <p>Children exposed to a range of sports otherwise not available to them. Children develop competitive skills.</p>	<p>Sports festivals have been booked for the next academic year.</p>
<p>Healthy Living Week.</p>	<p>Children attended a healthy eating workshop. They learnt the benefits of healthy eating and learnt about the different food groups and the proportion of each that we should eat to maintain a healthy, balanced diet. They cooked and tasted their own healthy meal. Children are more aware of healthy eating and its' benefits.</p> <p>Children participated in a range of sports activities including fencing, tri-golf and cheerleading. As a result, the children are more aware of the variety of activities available to them and the enjoyment that can be experienced when partaking in physical activity. Children participated in a variety of Forest School activities which promoted awe and wonder and a love for the outdoors.</p>	<p>The activities for this year's Healthy Living Week were extremely varied, fun and educational for our children and we intend to do similar activities next year.</p>

## Swimming Data

Meeting National Curriculum requirements for swimming and water safety.

*Priority should always be given to ensuring that pupils can perform safe self-rescue even if they do not fully meet the first two requirements of the National Curriculum programme of study*

<u>Question</u>	<u>Stats:</u>	<u>Further context</u> <u>Relative to local challenges</u>
What percentage of your current Year 6 cohort can swim competently, confidently and proficiently over a distance of at least 25 metres?	N/A	N/A
